**DECLARATION OF
PATRICK J. NASH, JR. IN SUPPORT OF THE DEBTORS'
APPLICATION FOR ENTRY OF AN ORDER AUTHORIZING
THE RETENTION AND EMPLOYMENT OF KIRKLAND & ELLIS LLP
AND KIRKLAND & ELLIS INTERNATIONAL LLP AS ATTORNEYS FOR THE
DEBTORS AND DEBTORS IN POSSESSION EFFECTIVE AS OF AUGUST 6, 2023**

I, Patrick J. Nash Jr., being duly sworn, state the following under penalty of perjury:

1. I am the president of Patrick J. Nash, Jr., P.C., a partner of the law firm of Kirkland & Ellis LLP, located at 300 North La Salle Street, Chicago, Illinois 60654, and a partner of Kirkland & Ellis International, LLP (together with Kirkland & Ellis LLP, collectively, "Kirkland").² I am one of the lead attorneys from Kirkland working on the above-captioned chapter 11 cases. I am a member in good standing of the Bar of the State of Illinois, and I have been admitted to practice in the U.S. Court of Appeals for the Sixth Circuit, the U.S. District Court for the Northern District of Illinois, and the U.S. District Court for the Eastern District of Michigan. There are no disciplinary proceedings pending against me.

¹ A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' claims and noticing agent at <https://dm.epiq11.com/YellowCorporation>. The location of the Debtors' principal place of business and the Debtors' service address in these chapter 11 cases is: 11500 Outlook Street, Suite 400, Overland Park, Kansas 66211.

² Capitalized terms used but not otherwise defined herein shall have the meaning as set forth in the Application.

2. I submit this declaration (the “Declaration”) in support of the Debtors’ *Application for Entry of an Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of August 6, 2023* (the “Application”).³ Except as otherwise noted, I have personal knowledge of the matters set forth herein.

Kirkland’s Qualifications

4. The Debtors seek to retain Kirkland because of Kirkland’s recognized expertise and extensive experience and knowledge in the field of debtors’ protections, creditors’ rights, and business reorganizations under chapter 11 of the Bankruptcy Code.

5. Kirkland has been actively involved in major chapter 11 cases and has represented debtors in many cases, including, among others: *In re PGX Holdings, Inc.*, No. 23-10718 (CTG) (Bankr. D. Del. June 4, 2023); *In re Lannett Company, Inc.*, No. 23-10559 (JKS) (Bankr. D. Del. May 2, 2023); *In re SiO2 Medical Products*, No. 23-10366 (JTD) (Bankr. D. Del. Mar. 29, 2023); *In re Carestream Health, Inc.*, No. 22-10778 (JKS) (Bankr. D. Del. Aug. 22, 2022); *In re Riverbed Technology, Inc.*, No. 21-11503 (CTG) (Bankr. D. Del. Nov. 15, 2021).⁴

6. In preparing for its representation of the Debtors in these chapter 11 cases, Kirkland has become familiar with the Debtors’ business and many of the potential legal issues that may arise in the context of these chapter 11 cases. I believe that Kirkland is both well-qualified and uniquely able to represent the Debtors in these chapter 11 cases in an efficient and timely manner.

³ Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Application.

⁴ Because of the voluminous nature of the orders cited in this Declaration, they are not attached to this Declaration. Copies of these orders are available upon request to Kirkland.

Services to Be Provided

7. Subject to further order of the Court and that certain engagement letter dated July 27, 2023 (the “Engagement Letter”), a copy of which is attached as **Exhibit 1** to the Order, the Debtors retained Kirkland to render, without limitation, the following legal services:

- a. advising the Debtors with respect to their powers and duties as debtor in possession in the continued management and operation of their properties;
- b. advising and consulting on the conduct of these chapter 11 cases, including all of the legal and administrative requirements of operating in chapter 11;
- c. attending meetings and negotiating with representatives of creditors and other parties in interest;
- d. taking all necessary actions to protect and preserve the Debtors’ estates, including prosecuting actions on the Debtors’ behalf, defending any action commenced against the Debtors, and representing the Debtors in negotiations concerning litigation in which the Debtors are involved, including objections to claims filed against the Debtors’ estates;
- e. preparing pleadings in connection with these chapter 11 cases, including motions, applications, answers, orders, reports, and papers necessary or otherwise beneficial to the administration of the Debtors’ estates;
- f. representing the Debtors in connection with obtaining authority to continue using cash collateral and postpetition financing;
- g. advising the Debtors in connection with any potential sale of assets;
- h. appearing before the Court and any appellate courts to represent the interests of the Debtors’ estates;
- i. advising the Debtors regarding tax matters;
- j. taking any necessary action on behalf of the Debtors to negotiate, prepare, and obtain approval of a disclosure statement and confirmation of a chapter 11 plan and all documents related thereto; and
- k. performing all other necessary legal services for the Debtors in connection with the prosecution of these chapter 11 cases, including: (i) analyzing the Debtors’ leases and contracts and the assumption and assignment or rejection thereof; (ii) analyzing the validity of liens against the Debtors’ assets; and (iii) advising the Debtors on corporate and litigation matters.

Professional Compensation

8. Kirkland intends to apply for compensation for professional services rendered on an hourly basis and reimbursement of expenses incurred in connection with these chapter 11 cases, subject to the Court's approval and in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of the Court. The hourly rates and corresponding rate structure Kirkland will use in these chapter 11 cases are the same as the hourly rates and corresponding rate structure that Kirkland uses in other debtor representations, and are comparable to the hourly rates and corresponding rate structure that Kirkland uses for complex corporate, securities, and litigation matters whether in court or otherwise, regardless of whether a fee application is required. These rates and the rate structure reflect that such restructuring and other complex matters typically are national in scope and involve great complexity, high stakes, and severe time pressures.

9. Kirkland operates in a national marketplace for legal services in which rates are driven by multiple factors relating to the individual lawyer, his or her area of specialization, the firm's expertise, performance, and reputation, the nature of the work involved, and other factors.

10. Kirkland's current hourly rates for matters related to these chapter 11 cases range as follows:⁵

⁵ For professionals and paraprofessionals residing outside of the U.S., hourly rates are billed in the applicable currency. When billing a U.S. entity, such foreign rates are converted into U.S. dollars at the then applicable conversion rate. After converting these foreign rates into U.S. dollars, it is possible that certain rates may exceed the billing rates listed in the chart herein. While the rate ranges provided for in this Application may change if an individual leaves or joins Kirkland, and if any such individual's billing rate falls outside the ranges disclosed above, Kirkland does not intend to update the ranges for such circumstances.

Billing Category⁶	U.S. Range
Partners	\$1,195-\$2,245
Of Counsel	\$820-\$2,125
Associates	\$685-\$1,395
Paraprofessionals	\$295-\$575

11. Kirkland's hourly rates are set at a level designed to compensate Kirkland fairly for the work of its attorneys and paralegals and to cover fixed and routine expenses. Hourly rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions.⁷

12. It is Kirkland's policy to charge its clients in all areas of practice for identifiable, non-overhead expenses incurred in connection with the client's case that would not have been incurred except for representation of that particular client. It is also Kirkland's policy to charge its clients only the amount actually incurred by Kirkland in connection with such items. Examples of such expenses include postage, overnight mail, courier delivery, transportation, overtime expenses, computer-assisted legal research, photocopying, airfare, meals, and lodging.

13. To ensure compliance with all applicable deadlines in these chapter 11 cases, Kirkland utilizes the services of overtime secretaries. Kirkland charges fees for these services pursuant to the Engagement Letter between Kirkland and the Debtors, which permits Kirkland to

⁶ Although Kirkland does not anticipate using contract attorneys during these chapter 11 cases, in the unlikely event that it becomes necessary to use contract attorneys, Kirkland will not charge a markup to the Debtors with respect to fees billed by such attorneys. Moreover, any contract attorneys or non-attorneys who are employed by the Debtors in connection with work performed by Kirkland will be subject to conflict checks and disclosures in accordance with the requirements of the Bankruptcy Code.

⁷ For example, like many of its peer law firms, Kirkland typically increases the hourly billing rate of attorneys and paraprofessionals twice a year in the form of: (i) step increases historically awarded in the ordinary course on the basis of advancing seniority and promotion and (ii) periodic increases within each attorney's and paraprofessional's current level of seniority. The step increases do not constitute "rate increases" (as the term is used in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*, effective November 1, 2013). As set forth in the Order, Kirkland will provide ten business days' notice to the Debtors, the U.S. Trustee, and any official committee before implementing any periodic increases, and shall file such notice with the Court.

bill the Debtors for overtime secretarial charges that arise out of business necessity. In addition, Kirkland professionals also may charge their overtime meals and overtime transportation to the Debtors consistent with prepetition practices.

14. Kirkland currently charges the Debtors \$0.16 per page for standard duplication in its offices in the United States. Notwithstanding the foregoing and consistent with the Local Rules, Kirkland will charge no more than \$0.10 per page for standard duplication services in these chapter 11 cases. Kirkland does not charge its clients for incoming facsimile transmissions. Kirkland has negotiated a discounted rate for Westlaw computer-assisted legal research. Computer-assisted legal research is used whenever the researcher determines that using Westlaw is more cost effective than using traditional (non-computer assisted legal research) techniques.

Compensation Received by Kirkland from the Debtors

15. Per the terms of the Engagement Letter, on July 11, 2023, the Debtors paid \$1.5 million to Kirkland, which, as stated in the Engagement Letter, constituted a “special purpose retainer” (also known as an “advance payment retainer”) as defined in Rule 1.5(d) of the Illinois Rules of Professional Conduct and *Dowling v. Chicago Options Assoc., Inc.*, 875 N.E.2d 1012, 1018 (Ill. 2007). Subsequently, the Debtors paid to Kirkland additional special purpose retainer totaling \$5.55 million in the aggregate. As stated in the Engagement Letter, any special purpose retainer is earned by Kirkland upon receipt, any special purpose retainer becomes the property of Kirkland upon receipt, the Debtors no longer have a property interest in any special purpose retainer upon Kirkland’s receipt, any special purpose retainer will be placed in Kirkland’s general account and will not be held in a client trust account, and the Debtors will not earn any interest on

any special purpose retainer.⁸ A chart identifying the statements setting forth the professional services provided by Kirkland to the Debtors and the expenses incurred by Kirkland in connection therewith, as well as the special purpose retainer transferred by the Debtors to Kirkland, prior to the Petition Date is set forth below.

16. During the 90-day period before the Petition Date, the Debtors paid special purpose retainer in the following amounts to Kirkland:

Type of Transaction	Date	Amount of Fees and Expenses Listed on Statement	Amount of Special Purpose Retainer Requested	Amount of Special Purpose Retainer Received	Resulting Special Purpose Retainer Following
Statement of Fees and Expenses	3/15/2023	\$187,869.92			
Statement of Fees and Expenses	3/15/2023	23,633.85			
Statement of Fees and Expenses	3/15/2023	\$28,740.00			
Statement of Fees and Expenses	3/31/2023	\$152,336.37			
Initial Request for Special Purpose Retainer	6/20/2023		\$1,500,000.00		
Receipt of Initial Special Purpose Retainer	7/11/2023			\$1,500,000.00	\$1,107,419.86
Additional Special Purpose Retainer (Full Statement)	7/25/2023		\$4,800,000.00		
Receipt of Additional Special Purpose Retainer	7/26/2023			\$4,800,000.00	\$5,907,419.86
Statement of Fees and Expenses	7/31/2023	\$122,828.98			\$5,784,590.88
Statement of Fees and Expenses	7/31/2023	\$8,384.50			\$5,776,206.38
Statement of Fees and Expenses	7/31/2023	\$449,808.70			\$5,326,397.68

⁸ The Engagement Letter provides that Kirkland may continue to hold any remaining prepetition special purpose retainer during the pendency of a chapter 11 case rather than applying such special purpose retainer to postpetition fees and expenses. Kirkland evaluates whether to retain any remaining prepetition special purpose retainer on a case-by-case basis. In this particular case, Kirkland has elected not to hold any remaining prepetition special purpose retainer but, instead, will apply any remaining special purpose retainer to postpetition fees and expenses as such fees and expenses are allowed by the Court.

Statement of Fees and Expenses	7/31/2023	\$887,456.08			\$4,438,941.60
Statement of Fees and Expenses	7/31/2023	\$78,125.50			\$4,360,816.10
Statement of Fees and Expenses	7/31/2023	\$87,892.00			\$4,272,924.10
Statement of Fees and Expenses	7/31/2023	\$1,847,672.27			\$2,425,251.83
Statement of Fees and Expenses	8/2/2023	\$704,192.96			\$1,721,058.87
Additional Special Purpose Retainer (Full Statement)	8/3/2023		\$750,000.00		
Receipt of Additional Special Purpose Retainer	8/3/2023			\$750,000.00	\$2,471,058.87

17. As of the Petition Date, the Debtors did not owe Kirkland any amounts for legal services rendered before the Petition Date. In March 2023, Kirkland had four outstanding invoices totaling \$392,580.14. Kirkland applied the special purpose retainer received on July 11, 2023 to those outstanding invoices. Kirkland does not concede that the application of the special purpose retainer to those invoices constituted a voidable preference. However, in light of the decision in *In re Pillowtex, Inc.*, 304 F.3d 246 (3d Cir. 2022), Kirkland has agreed with the Debtors that it will give a credit for postpetition work in the full amount of those invoices (*i.e.*, \$392,580.14).

18. Pursuant to Bankruptcy Rule 2016(b), Kirkland has not shared nor agreed to share (a) any compensation it has received or may receive with another party or person, other than with the partners, associates, and contract attorneys associated with Kirkland or (b) any compensation another person or party has received or may receive.

Statement Regarding U.S. Trustee Guidelines

19. Kirkland shall apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with the Debtors' chapter 11 cases in compliance with sections 330 and 331 of the Bankruptcy Code and applicable provisions of the Bankruptcy Rules, Local Rules, and any other applicable procedures and orders of the Court.

Kirkland also intends to make a reasonable effort to comply with the U.S. Trustee's requests for information and additional disclosures as set forth in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases Effective As of November 1, 2013* (the "Revised UST Guidelines"), both in connection with this Application and the interim and final fee applications to be filed by Kirkland in these chapter 11 cases.

Attorney Statement Pursuant to Revised UST Guidelines

20. The following is provided in response to the request for additional information set forth in Paragraph D.1. of the Revised UST Guidelines:

- a. **Question:** Did Kirkland agree to any variations from, or alternatives to, Kirkland's standard billing arrangements for this engagement?

Answer: No. Kirkland and the Debtors have not agreed to any variations from, or alternatives to, Kirkland's standard billing arrangements for this engagement. The rate structure provided by Kirkland is appropriate and is not significantly different from (a) the rates that Kirkland charges for other non-bankruptcy representations or (b) the rates of other comparably skilled professionals.

- b. **Question:** Do any of the Kirkland professionals in this engagement vary their rate based on the geographic location of the Debtors' chapter 11 cases?

Answer: No. The hourly rates used by Kirkland in representing the Debtors are consistent with the rates that Kirkland charges other comparable chapter 11 clients, regardless of the location of the chapter 11 case.

- c. **Question:** If Kirkland has represented the Debtors in the 12 months prepetition, disclose Kirkland's billing rates and material financial terms for the prepetition engagement, including any adjustments during the 12 months prepetition. If Kirkland's billing rates and material financial terms have changed postpetition, explain the difference and the reasons for the difference.

Answer: Kirkland's current hourly rates for services rendered on behalf of the Debtors range as follows:⁹

Billing Category	U.S. Range
Partners	\$1,195-\$2,245
Of Counsel	\$820-\$2,125
Associates	\$685-\$1,395
Paraprofessionals	\$295-\$575

Kirkland represented the Debtors from August 1, 2022 to December 31, 2022, using the hourly rates listed below:

Billing Category	U.S. Range
Partners	\$1,135-\$1,995
Of Counsel	\$805-\$1,845
Associates	\$650-\$1,245
Paraprofessionals	\$265-\$495

- d. **Question:** Have the Debtors approved Kirkland's budget and staffing plan, and, if so, for what budget period?

Answer: Yes, for the period from August 6, 2023 through December 1, 2023.

Kirkland's Disinterestedness

21. In connection with its proposed retention by the Debtors in these chapter 11 cases, Kirkland undertook to determine whether it had any conflicts or other relationships that might cause it not to be disinterested or to hold or represent an interest adverse to the Debtors. Specifically, Kirkland obtained from the Debtors and their representatives the names of individuals and entities that may be parties in interest in these chapter 11 cases (the "Potential Parties in Interest") and such parties are listed on **Schedule 1** hereto. Kirkland has searched its electronic database for its connections to the entities listed on **Schedule 1** hereto. In addition, after Kirkland

⁹ While the rate ranges provided for in this Application may change if an individual leaves or joins Kirkland, and if any such individual's billing rate falls outside the ranges disclosed above, Kirkland does not intend to update the ranges for such circumstances.

identified all client connections with the parties in interest over a specified time period, Kirkland circulated a survey email to all Kirkland attorneys who billed 10 or more hours to such clients during the prior six years. Further, beyond the individual emails, Kirkland sent a daily report of new matters firm wide. All Kirkland attorneys are responsible for reviewing the daily report of new matters and raising any potential concerns with respect to new representations. Kirkland did not receive any answers in the affirmative to these emails. Additionally, to the extent that I have been able to ascertain that Kirkland has been retained within the last three years to represent any of the Potential Parties in Interest (or their affiliates, as the case may be) in matters unrelated to these cases, such facts are disclosed on **Schedule 2** attached hereto.

22. Kirkland and certain of its partners and associates may have in the past represented, may currently represent, and likely in the future will represent, entities that may be parties in interest in these chapter 11 cases in connection with matters unrelated (except as otherwise disclosed herein) to the Debtors and these chapter 11 cases. Kirkland has searched its electronic database for its connections to the entities listed on **Schedule 1** attached hereto. The information listed on **Schedule 1** may have changed without our knowledge and may change during the pendency of these chapter 11 cases. Accordingly, Kirkland will update this Declaration as necessary and when Kirkland becomes aware of additional material information. The following is a list of the categories that Kirkland has searched:¹⁰

<u>Schedule</u>	<u>Category</u>
1(a)	5% or More Equity Holders
1(b)	Bankruptcy Judges, Staff, and U.S. Trustee Personnel for the United States Bankruptcy Court for the District of Delaware
1(c)	Debtor Professionals

¹⁰ Kirkland's inclusion of parties in the following Schedules is solely to illustrate Kirkland's conflict search process and is not an admission that any party has a valid claim against the Debtors or that any party properly belongs in the schedules or has a claim or legal relationship to the Debtors of the nature described in the schedules.

- 1(d) Banks, Lenders, and Administrative Agents
- 1(e) Committee Members
- 1(f) Committee Professionals
- 1(g) Current Directors and Officers
- 1(h) Customers
- 1(i) Debtors
- 1(j) Environmental Related Parties
- 1(k) Insurance Providers and Agents
- 1(l) Litigation and Subrogation Claims
- 1(m) Material Contract Counterparties
- 1(n) Non-Debtors
- 1(o) Other Restructuring Professionals
- 1(p) Significant Vendors
- 1(q) Surety and Letters of Credit Issuers
- 1(r) Taxing Authorities, Governmental Agencies, and Regulatory Agencies
- 1(s) Top 30 Creditors
- 1(t) UCC Lien Parties
- 1(u) Unions
- 1(v) Union Funds

23. To the best of my knowledge, (a) Kirkland is a “disinterested person” within the meaning of section 101(14) of the Bankruptcy Code, as required by section 327(a) of the Bankruptcy Code, and does not hold or represent an interest adverse to the Debtors’ estates and (b) Kirkland has no connection to the Debtors, their creditors, or other parties in interest, except as may be disclosed in this Declaration.

24. Listed on **Schedule 2** to this Declaration are the results of Kirkland’s conflicts searches of the above-listed entities.¹¹ For the avoidance of doubt, Kirkland will not commence a

¹¹ As referenced in **Schedule 2**, the term “current client” means an entity listed as a client in Kirkland’s conflicts search system to whom time was posted in the 12 months preceding the Petition Date. As referenced in **Schedule 2**, the term “former client” means an entity listed as a client in Kirkland’s conflicts search system to whom time was posted between 12 and 36 months preceding the Petition Date. As referenced in **Schedule 2**, the term “closed client” means an entity listed as a client in Kirkland’s conflicts search system to whom time was posted in the 36 months preceding the Petition Date, but for which the client representation has been closed. Whether an actual client relationship exists can only be determined by reference to the documents governing Kirkland’s representation rather than its potential listing in Kirkland’s conflicts search system. The list generated from Kirkland’s conflicts search system is over-inclusive. As a general matter, Kirkland discloses connections

cause of action in these chapter 11 cases against the entities listed on **Schedule 2** that are current clients of Kirkland (including entities listed below under the “Specific Disclosures” section of this Declaration) unless Kirkland has an applicable waiver on file or first receives a waiver from such entity allowing Kirkland to commence such an action. To the extent that a waiver does not exist or is not obtained from such entity and it is necessary for the Debtors to commence an action against that entity, the Debtors will be represented in such particular matter by conflicts counsel.

25. Of the entities listed on **Schedule 2**, one is a portfolio company of an entity that represented more than one percent of Kirkland’s fee receipts for the twelve-month period ending on July 31, 2023.¹² Motus LLC is a vendor of the Debtors and is a portfolio company of Thoma Bravo LP. Thoma Bravo LP represented more than one percent of Kirkland’s fee receipts for the twelve-month period ending on July 31, 2023. I do not believe that any current or prior representation of Thoma Bravo LP precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

26. Kirkland’s conflicts search of the entities listed on **Schedules 1(a) – 1(v)** that Kirkland was able to locate using its reasonable efforts) reveals, to the best of my knowledge, that those Kirkland attorneys and paraprofessionals who previously worked at other law firms that represented such entities in these chapter 11 cases have not worked on matters relating to the Debtors’ restructuring efforts while at Kirkland.

27. Based on the conflicts search conducted to date and described herein, to the best of my knowledge, neither I, Kirkland, nor any partner or associate thereof, insofar as I have been able

with “former clients” or “closed clients” for whom time was posted in the last 36 months, but does not disclose connections if time was billed more than 36 months before the Petition Date.

¹² Specific percentages will be disclosed to the U.S. Trustee upon request.

to ascertain, have any connection with the Debtors, their creditors, or any other parties in interest, their respective attorneys and accountants, the United States Trustee for the District of Delaware (the “U.S. Trustee”), any person employed by the U.S. Trustee, or any Bankruptcy Judge currently serving on the United States Bankruptcy Court for the District of Delaware, except as disclosed or otherwise described herein.

28. Kirkland will review its files periodically during the pendency of these chapter 11 cases to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new relevant facts or relationships are discovered or arise, Kirkland will use reasonable efforts to identify such further developments and will promptly file a supplemental declaration, as required by Bankruptcy Rule 2014(a).

29. Generally, it is Kirkland’s policy to disclose entities in the capacity that they first appear in a conflicts search. For example, if an entity already has been disclosed in this Declaration in one capacity (*e.g.*, a customer), and the entity appears in a subsequent conflicts search in a different capacity (*e.g.*, a vendor), Kirkland does not disclose the same entity again in supplemental declarations, unless the circumstances are such in the latter capacity that additional disclosure is required.

30. From time to time, certain former partners of Kirkland are entitled to compensation for a limited period of time following their departure from the firm.

31. From time to time, Kirkland has referred work to other professionals to be retained in these chapter 11 cases. Likewise, certain such professionals have referred work to Kirkland.

32. Certain insurance companies pay the legal bills of Kirkland clients. Some of these insurance companies may be involved in these chapter 11 cases. None of these insurance

companies, however, are Kirkland clients as a result of the fact that they pay legal fees on behalf of Kirkland clients.

Specific Disclosures

33. As specifically set forth below and in the attached exhibits, Kirkland represents certain of the Debtors' creditors, lenders, or other entities that may be parties in interest in ongoing matters unrelated to the Debtors and these chapter 11 cases. None of the representations described herein are materially adverse to the interests of the Debtors' estates. Moreover, pursuant to section 327(c) of the Bankruptcy Code, Kirkland is not disqualified from acting as the Debtors' counsel merely because it represents certain of the Debtors' creditors, equity security holders, or other entities that may be parties in interest in matters unrelated to these chapter 11 cases.

A. Connections to Officers and Directors.

34. As disclosed below and on **Schedule 2**, Kirkland, in the past has represented certain affiliates, subsidiaries and entities associated with the Debtors' current and recent former officers and directors. I do not believe that Kirkland's prior representation of the affiliates, subsidiaries, and entities associated with certain officers and directors precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

35. Patricia M Nazemetz, a director of the Debtors, has served, or may serve from time to time, in various management and/or director capacities of certain Kirkland clients or affiliates thereof. I do not believe that Kirkland's current or prior representation of clients for which Ms. Nazemetz serves or has served in management and/or director capacities precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

B. Connections to Other Entities.

36. As disclosed on **Schedule 2**, Kirkland currently represents, and in the past has represented, Apollo Global Management, Inc. and various of its subsidiaries and affiliates (collectively, “Apollo”) on a variety of matters. Apollo was one of the Debtors’ prepetition lenders. Apollo exited the Debtors’ capital structure shortly following the Petition Date. Kirkland’s current and prior representations of Apollo have been in matters unrelated to the Debtors or these chapter 11 cases. Kirkland has not represented, and will not represent, Apollo in connection with any matter in these chapter 11 cases during the pendency of these chapter 11 cases. I do not believe that Kirkland’s current or prior representations of Apollo precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

37. As disclosed on **Schedule 2**, Kirkland currently represents, and in the past has represented, Citadel LLC and various of its subsidiaries and affiliates (collectively, “Citadel”) on a variety of matters. Citadel is the current holder of the Debtors’ prepetition secured term loan and a provider of debtor in possession financing. Kirkland’s current and prior representations of Citadel have been in matters unrelated to the Debtors or these chapter 11 cases. Kirkland has not represented, and will not represent, Citadel in connection with any matter in these chapter 11 cases during the pendency of these chapter 11 cases. I do not believe that Kirkland’s current or prior representations of Citadel precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code

38. As disclosed on **Schedule 2**, Kirkland currently represents, and in the past has represented, HSBC Holdings plc, ING Bank N.V., The PNC Financial Services Group, Siemens AG, and Wells Fargo Bank N.A., Bank of America, N.A., and/or certain of their affiliates (collectively, the “Specified Parties”) on a variety of matters. The Specified Parties comprise one

or more of the following: (a) the Debtors' bank or (b) administrative agent to the Debtors. Kirkland's current and prior representation of the Specified Parties has been in matters unrelated to the Debtors or these chapter 11 cases. Kirkland has not represented, and will not represent, the Specified Parties in connection with any matter in these chapter 11 cases during the pendency of these chapter 11 cases. I do not believe that Kirkland's current or prior representation of the Specified Parties precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

39. As disclosed on **Schedule 2**, Kirkland currently represents, and in the past has represented, certain of the Debtors' vendors and/or their affiliates and employees, including Honeywell International Inc., KPMG LLP, American Securities LLC, Belk, Inc, The Dun and Bradstreet Corporation, EQT AB, AT&T Services, Inc., Chevron Corporation, BC Partners, Dell Technologies Inc., Verizon Communications Inc, Sedgwick Claims Management Services, Inc., Mode Transportation, LLC, IBM Corporation, Old Republic National Title Holding Co., and World Fuel Services (the "**Vendor Parties**"), on a variety of matters. Kirkland's current and prior representation of the Vendor Parties has been in matters unrelated to the Debtors or these chapter 11 cases. Kirkland has not represented, and will not represent, any of the Vendor Parties in connection with any matter in these chapter 11 cases during the pendency of these chapter 11 cases. I do not believe that Kirkland's current or prior representation of the Vendor Parties precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

40. As disclosed on **Schedule 2**, Kirkland currently represents, and in the past has represented, certain of the Debtors' customers and/or their affiliates and employees, including AB Volvo, Cornerstone Building Brands, Inc., Staples, Inc., Walmart Inc., Nissan Motor Co., Ltd., Odyssey Logistics & Technology Corporation, Gryphon Investors Inc., Transportation Insight,

LLC, and Sycamore Partners Management, L.P. (the “Customer Parties”) on a variety of matters. Kirkland’s current and prior representation of the Customer Parties has been in matters unrelated to the Debtors or these chapter 11 cases. Kirkland has not represented, and will not represent, any of the Customer Parties in connection with any matter in these chapter 11 cases during the pendency of these chapter 11 cases. I do not believe that Kirkland’s current or prior representation of the Customer Parties precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

C. Other Chapter 11 Professionals.

41. As disclosed on Schedule 2, Kirkland currently represents, and in the past has represented, certain affiliates, subsidiaries, and entities associated with various professionals that the Debtors seek to retain in connection with these chapter 11 cases. Kirkland’s current and prior representations of these professionals have been in matters unrelated to the Debtors or these chapter 11 cases. Kirkland has not represented, and will not represent, any such professionals in connection with any matter in these chapter 11 cases during the pendency of these chapter 11 cases. I do not believe that Kirkland’s current or prior representation of these professionals precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

42. The Debtors’ proposed restructuring advisor is Alvarez & Marsal North America, LLC (“A&M Advisory”). As disclosed on Schedule 2, Kirkland represents Alvarez & Marsal, Inc. (“A&M Inc.”), Alvarez & Marsal Capital, LLC (“A&M Capital”), AMCP Security Holdings L.P. / Centerra Group, LLC, Alvarez & Marsal Tax and UK LLP, and affiliated entities in matters unrelated to the Debtors and these chapter 11 cases. In addition, subject to the parameters discussed in the Kirkland Attorney and Employee Investments section of this Declaration, Kirkland person(s) have invested in one or more funds affiliated with A&M Capital. I do not

believe that Kirkland's representation of these parties precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

43. The Committee has retained Huron Consulting Group Inc. ("Huron") as its proposed financial advisor. As disclosed on Schedule 2, Kirkland currently represents, and in the past has represented, Huron on a variety of matters. Kirkland's current and prior representations of Huron have been in matters unrelated to the Debtors or these chapter 11 cases. Kirkland has not represented, and will not represent, Huron, in connection with any matter in these chapter 11 cases during the pendency of these chapter 11 cases. I do not believe that Kirkland's representation of Huron precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

44. FTI Consulting, Inc. was engaged by one of the Debtors' lenders as its proposed financial advisor. As disclosed on Schedule 2, Kirkland currently represents, and in the past has represented, FTI Consulting, Inc. and certain of its affiliates and employees (collectively, "FTI") on a variety of matters. Kirkland's current and prior representations of FTI have been in matters unrelated to the Debtors or these chapter 11 cases. Kirkland has not represented, and will not represent, FTI in connection with any matter in these chapter 11 cases during the pendency of these chapter 11 cases. I do not believe that Kirkland's current or prior representation of FTI precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

45. The Debtors' prepetition ABL agent has retained AlixPartners LLP as its proposed financial advisor. As disclosed on Schedule 2, Kirkland currently represents, and in the past has represented, AlixPartners LLP and certain of its affiliates and employees (collectively, "Alix") on a variety of matters. Kirkland's current and prior representations of Alix have been in matters unrelated to the Debtors or these chapter 11 cases. Kirkland has not represented, and will not

represent, Alix in connection with any matter in these chapter 11 cases during the pendency of these chapter 11 cases. I do not believe that Kirkland's current or prior representation of Alix precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code

D. Kirkland Attorney and Employee Investments.

46. From time to time, Kirkland partners, of counsel, associates, and employees personally invest in mutual funds, retirement funds, private equity funds, venture capital funds, hedge funds, and other types of investment funds (the "Investment Funds"), through which such individuals indirectly acquire an interest in debt or equity securities of many companies, one of which may be one of the Debtors, their creditors, or other parties in interest in these chapter 11 cases, often without Kirkland's knowledge. Each Kirkland person generally owns substantially less than one percent of such Investment Fund, does not manage or otherwise control such Investment Fund, and has no influence over the Investment Fund's decision to buy, sell, or vote any particular security. The Investment Fund is generally operated as a blind pool, meaning that when the Kirkland persons make an investment in the Investment Fund, he, she, or they do not know what securities the blind pool Investment Fund will purchase or sell, and have no control over such purchases or sales.

47. From time to time one or more Kirkland partners and of counsel voluntarily choose to form an entity (a "Passive-Intermediary Entity") to invest in one or more Investment Funds. Such Passive-Intermediary Entity is composed only of persons who were Kirkland partners and of counsel at the time of the Passive-Intermediary Entity's formation (although some may later become former Kirkland partners and of counsel). Participation in such a Passive-Intermediary Entity is wholly voluntary and only a portion of Kirkland's partners and of counsel choose to participate. The Passive-Intermediary Entity generally owns substantially less than one percent of

any such Investment Fund, does not manage or otherwise control such Investment Fund, and has no influence over the Investment Fund's decision to buy, sell, or vote any particular security. Each Investment Fund in which a Passive-Intermediary Entity invests is operated as a blind pool, so that the Passive-Intermediary Entity does not know what securities the blind pool Investment Funds will purchase or sell, and has no control over such purchases or sales. And, indeed, the Passive-Intermediary Entity often arranges for statements and communications from certain Investment Funds to be sent solely to a blind administrator who edits out all information regarding the identity of the Investment Fund's underlying investments, so that the Passive-Intermediary Entity does not learn (even after the fact) the identity of the securities purchased, sold, or held by the Investment Fund. To the extent the Passive-Intermediary Entity is or becomes aware of the identity of the securities purchased, sold, or held by the Investment Funds ("Known Holdings"), such Known Holdings are submitted to Kirkland's conflict checking system.

48. From time to time, Kirkland partners, of counsel, associates, and employees personally directly acquire a debt or equity security of a company which may be (or become) one of the Debtors, their creditors, or other parties in interest in these chapter 11 cases. Kirkland has a long-standing policy prohibiting attorneys and employees from using confidential information that may come to their attention in the course of their work, so that all Kirkland attorneys and employees are barred from trading in securities with respect to which they possess confidential information.

E. Former Clerks.

49. The following Kirkland employees had clerkships in the United States Bankruptcy Court for Delaware during the last three years (together, the "Former Clerks"). I do not believe

that the Former Clerk's work for the Court precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

50. Jacob Black is a Kirkland associate who clerked with the Honorable Christopher S. Sontchi (ret.) in the United States Bankruptcy Court for the District of Delaware, from January 2020 to December 2021. Mr. Black began working at Kirkland in September 2021, and had no connection with the Debtors' chapter 11 cases while working for Judge Sontchi.

51. Jose Lugo is a Kirkland associate who clerked with the Honorable Karen B. Owens of the United States Bankruptcy Court for the District of Delaware from September 2020 to September 2021. Ms. Lugo began working at Kirkland in September 2021 and had no connection with the Debtors' chapter 11 cases while working for Judge Owens.

F. Other Disclosures.

52. Finally, certain interrelationships exist among the Debtors. Nevertheless, the Debtors have advised Kirkland that the Debtors' relationships to each other do not pose any conflict of interest because of the general unity of interest among the Debtors. Insofar as I have been able to ascertain, I know of no conflict of interest that would preclude Kirkland's joint representation of the Debtors in these chapter 11 cases.

53. As disclosed on Schedule 2, Kirkland currently represents each of (i) Bed Bath & Beyond Inc. and certain of its subsidiaries and affiliates (collectively, "BB&B") and (ii) Aeero Technologies and certain of its affiliates (collectively, "Aeero") in each of their bankruptcy cases. Certain Debtor entities are creditors of BB&B and/or Aeero, as applicable, and certain BB&B entities and Aeero entities are creditors of the Debtors. Kirkland has not represented, and will not represent, the Debtors adverse to BB&B or Aeero during the pendency of BB&B's bankruptcy cases or Aeero's bankruptcy cases, as applicable. Similarly, Kirkland has not represented, and

will not represent, either BB&B or Aearo adverse to the Debtors during the pendency of these chapter 11 cases. I do not believe that Kirkland's current representation of BB&B or Aearo precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

54. As disclosed on Schedule 2, Kirkland currently represents Invacare Corporation and certain of its affiliates (collectively, "Invacare") in its bankruptcy cases. Invacare's First Amended Joint Plan of Reorganization was confirmed on April 28, 2023 and went effective on May 5, 2023. Certain Debtor entities are creditors of Invacare. Kirkland has not represented, and will not represent, the Debtors adverse to Invacare during the pendency of Invacare's bankruptcy cases. Similarly, Kirkland has not represented, and will not represent, Invacare adverse to the Debtors during the pendency of these chapter 11 cases. I do not believe that Kirkland's current representation of Invacare precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

55. The spouse of Kirkland partner Helen E. Witt, P.C. is a managing director of JPMorgan Chase & Co. JP Morgan Chase & Co. and certain of its affiliates are among the Debtors' banks. Out of an abundance of caution, Kirkland has instituted formal screening measures to screen Ms. Witt from all aspects of Kirkland's representation of the Debtors.

56. The spouse of Kirkland associate Christopher Grady is a senior vice president and relationship manager at The PNC Financial Services Group Inc. ("PNC"). PNC and certain of its affiliates are among the Debtors' banks. Out of an abundance of caution, Kirkland has instituted formal screening measures to screen Mr. Grady from all aspects of Kirkland's representation of the Debtors.

57. Kirkland partner Jared Whalen served as a trustee of the Western Conference of Teamsters Pension Fund in 2021, prior to joining Kirkland. Mr. Whalen was appointed by his

former employer to serve in this role. Out of an abundance of caution, Kirkland has instituted formal screening measures to screen Mr. Whalen from all aspects of Kirkland's representation of the Debtors.

58. Furthermore, prior to joining Kirkland, certain Kirkland attorneys represented clients adverse to Kirkland's current and former restructuring clients. Certain of these attorneys (the "Screened Kirkland Attorneys") will not perform work in connection with Kirkland's representation of the Debtors and will not have access to confidential information related to the representation. Kirkland's formal ethical screen provides sufficient safeguards and procedures to prevent imputation of conflicts by isolating the Screened Kirkland Attorneys and protecting confidential information.

59. Under Kirkland's screening procedures, Kirkland's conflicts department distributes a memorandum to all Kirkland attorneys and legal assistants directing them as follows: (a) not to discuss any aspects of Kirkland's representation of the Debtors with the Screened Kirkland Attorneys; (b) to conduct meetings, phone conferences, and other communications regarding Kirkland's representation of the Debtors in a manner that avoids contact with the Screened Kirkland Attorneys; (c) to take all measures necessary or appropriate to prevent access by the Screened Kirkland Attorneys to the files or other information related to Kirkland's representation of the Debtors; and (d) to avoid contact between the Screened Kirkland Attorneys and all Kirkland personnel working on the representation of the Debtors unless there is a clear understanding that there will be no discussion of any aspects of Kirkland's representation of the Debtors. Furthermore, Kirkland already has implemented procedures to block the Screened Kirkland Attorneys from accessing files and documents related to the Debtors that are stored in Kirkland's electronic document managing system.

Affirmative Statement of Disinterestedness

60. Based on the conflicts search conducted to date and described herein, to the best of my knowledge and insofar as I have been able to ascertain, (a) Kirkland is a “disinterested person” within the meaning of section 101(14) of the Bankruptcy Code, as required by section 327(a) of the Bankruptcy Code, and does not hold or represent an interest adverse to the Debtors’ estates and (b) Kirkland has no connection to the Debtors, their creditors, or other parties in interest, except as may be disclosed herein.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
